

Privacy Policy for Little Saints Cleaning Service LLC

Updated 4/22/2026

At Little Saints Cleaning Service LLC, we value your trust and are committed to protecting your privacy. This policy outlines how we collect, use, and safeguard the information you provide to us through our website.

1. Information Collection and Ownership

We are the sole owners of the information collected on this website. We only have access to and collect information that you voluntarily provide to us via email or other direct contact methods. We will never sell or rent this information to anyone.

2. How We Use Your Information

We will only use your information to respond to you regarding the reason you contacted us. We will not share your information with any third party outside of our organization, other than what is necessary to fulfill your specific request (for example, processing a payment or booking a cleaning service).

3. Communication and Marketing

Unless you ask us not to, we may contact you via email in the future to inform you about:

- Special offers or promotions.
- New products or services.
- Updates or changes to this privacy policy.

4. Your Access and Control Over Information

You have full control over your data. You may opt out of any future contact from us at any time. You can contact us via the email address or phone number provided on our website to:

- See what data we have about you, if any.
- Change or correct any data we have about you.
- Request that we delete any data we have about you.
- Express any concerns you have regarding our use of your data.

5. Security Measures

We take comprehensive precautions to protect your information, both online and offline.

- **Online Security:** Whenever we collect sensitive information (such as credit card data), that information is encrypted and transmitted to us securely. You can verify this by looking for a closed lock icon in your web browser or ensuring the web address begins with “https”.
- **Offline Security:** We protect your information offline as well. Access to personally identifiable information is strictly limited to employees who need that information to perform a specific job (such as billing or customer service). Furthermore, the computers and servers where we store personally identifiable information are kept in a secure, monitored environment.
